SPECIAL ANNOUNCEMENTS NEWSLETTER

June 15, 2015

Some cautionary news

Our trash pickup vendor has reminded us that our contract specifies **five (5) large, tied bags of trash per household per week**. There have been quite a few households who are exceeding this guideline by an extreme degree. We are now re-affirming this guideline, since it doesn't appear in our Park Rules and is generally not discussed during new membership interviews. Please meet this guideline, as it is in our contract. Remember, the Town of Loudon does recycle. Recycling would help you to reduce the amount of trash you put out each week. The Loudon Dump is located on Dump Road, off Route 106 just north of where North Village Road intersects with 106. You can obtain a sticker to use the dump for \$4. It is open Tuesdays, Thursdays, and Saturdays, and you may bring trash and large items there as well.

Some good news

After some snafus with Mike Rabbit's trucks and other issues, we are finally on his schedule to have our **roads swept** of sand this week. By the time you have received this newsletter, you may already have seen the sweeping taking place.

Some happy news

Our contractor is all set to begin work on the **new mailhouse**. We are finally in receipt of the insurance check, and a deposit has been issued to the contractor. And even better, we have been given an estimate of 2-3 weeks from start to completion. The mailhouse will have the same footprint, a metal roof, and safety concrete pylons situated in front. Save your mailbox keys! You should have the same box as before.

Some scary news

As September and the Annual Membership Meeting approaches, we are faced with the grim realization that we will have at least 3 vacant **Board positions**, and 2 others who will need to be elected to their positions, as they are currently appointed only. FHC will need nominees for the ballot, to hold these director positions: Director-at-Large, Vice-President, Treasurer, Secretary, & Operations. Please consider nominating some self-sacrificing individuals for these important, volunteer positions - or consider donating some time yourself.
