INTRODUCTION SECTION 1

❖ Freedom Hill Cooperative

We wish to welcome you to our community. It is our desire to provide a pleasant, attractive, and affordable place for people to live. All communities need some form of regulations to accomplish this goal. The rules and regulations of this community are not intended to be unnecessarily restrictive but are meant to help provide you a safe tranquil environment to live in. The future value of your manufactured home rests, to a great degree, on our community appearance and its reputation in the community at large.

The Board of Directors

IMPORTANT NOTICE REQUIRED BY LAW: SECTION 2

The rules set forth below govern the terms of your rental agreement with this manufactured housing park. The law requires all rules of this park to be reasonable. No rule may be changed without your consent unless this park gives you 90 days advance notice of the change.

Subject to the terms of any written lease agreement, you may continue to stay in this park as long as you pay your rent and any other lawful charges, follow the rules of the park and applicable local, state and federal law, do not damage park property and do not repeatedly bother other tenants in the park. You may be evicted for nonpayment of rent, but only if you fail to pay all rent due within 30 days after you receive written notice that you are behind in your rent.

You may also be evicted for not following the rules of this park, but only if the rules are reasonable, you have been given written notice of your failure to follow the rules, and you then continue to break the rules. You may not be evicted for joining a tenant organization.

If this park wishes to evict you, it must give you 60 days advance notice, except if you are behind in your rent, in which case only 30 days notice is required. The eviction notice must give you the reason for the proposed eviction.

You have the right to sell your home in place to anyone as long as the buyer and his household meet the rules of this park. You must notify the park if you intend to sell your home. Failure to do so may mean that the buyer will be required to move the home from the park.

Copies of the law under which this notice is required may be obtained from the consumer protection and antitrust bureau of the attorney general's office, state house annex, Concord, New Hampshire 03301.

4. Adults, children and pets are not to be on the lot of others uninvited.

Septic Systems

1. Septic systems are not to be used for disposal of grease, condoms, feminine napkins (including Tampax), children's toys, and non-bathroom tissue. As a co-op member, you are an owner of our systems and premature failure of the leach beds is a costly expense that could increase our rent.
